

The will of GOD versus the will of man

The will of GOD or Divine will is in contrast to the will of man.

The will of GOD governs the universe with all the stars and heavenly bodies that exist within it. Man cannot exist in isolation from GOD. Man does not realise that GOD dwells within him. We all have GOD within us, although we do not realise it. We all have a form of Godliness, although all of us have strayed as a result of our inbred rebellion to discipline and the lusts and desires of the flesh. We do not realise it, but we cannot be separated from GOD. Even in the pit of "hell", GOD is with us (Psalm 139:7-12). Due to the rebellion of mankind, man has strayed from the straight and narrow path, trying to escape GOD's perfect will. God is not a man that He should fail to bring His Divine plan to fruition on planet Earth. Everything that has happened in our universe was known by GOD before it manifested. The very fact that GOD has chosen me to write this document at this hour and minute and second in all eternity was planned ahead of time. The very fact that you are now reading it and that it may or may not cause you to stop for a while and think, was also planned ahead of time. GOD is patient with mankind, but when the time comes to act, GOD raises up willing people to act and speak. From the birth of JESUS, the anointed one of GOD, it has been approximately 2012 years, and due to rebellion the human race still struggles to obtain the true Divinity of GOD, as a result of obedience issues such as selfishness, greed, indiscipline, poor self-control and disorder that have crept into the church. Unless man submits to GOD's will fully and completely, i.e. 100%, he will not be useful as a vessel of honour in the body of Christ, i.e. the church of GOD (2 Timothy 2:20-21). To do GOD's will, crucify the self and start living according to the SPIRIT. The natural man's will is opposed 100% to GOD's will (Galatians 5:13-26).

If GOD has told you to sell everything you have and to donate 50% to the body of Christ, why are you still disobedient to GOD's Spirit by clinging to old covenant rules of 10% tithes and offerings. To live according to GOD's will, is to obey the still voice of the HOLY SPIRIT. If GOD has called you to serve in the Kingdom of Light, don't be like Ananias and Sapphira (Acts 5) and lie to the HOLY SPIRIT. **Everyone who speaks "evil" against Jesus can be forgiven, but he who "sins" against the HOLY SPIRIT cannot be forgiven now or ever (Luke 12:10, Matt 12:31-32).**

Our GOD created man and animals and plants with free will. We are all one, whether we like it or not. We are all branches of the same vine. We have all strayed from GOD's perfect will for us, by being rebellious and disobedient to Divine will. We are so easily governed by our lower selves, i.e. our fleshly and material desires and pleasures, which are 100% against our higher selves, i.e. the will of GOD within. Are we animal or human? Human is the answer. Why then are we behaving like animals? We have evolved so far, yet we keep on retrogressing, incarnation after incarnation. How many times do we still have to come back to planet Earth before we realise why we were placed here in these mortal bodies. *(Before judging the writer at this point, reincarnation is a biblical fact. The spirit of Elijah reincarnated as John the Baptist – Matthew 11:13-15 and Matthew 17:11-13).*

Once we have reached the level of Jesus the Christ, we need return no more to earth, if that be our wish. We may return to help mankind, if GOD so ordains. We have all roamed this planet many a time before in fleshly bodies, and we have made great progress towards GOD's universal plan. GOD's universal plan is governed by LOVE for all of creation. Man is the greatest enemy of GOD, because mankind has strayed from living in LOVE, peace and harmony with all of creation. We don't realise that when we squash a mosquito, ant or spider, we are interfering with the universal harmony. When we squash the mosquito, we take away the frog's and spider's next meal. When we squash the spider, we increase our chances of being bitten by a mosquito, because we have just destroyed its natural enemy. You may say, you kill the spider because it threatens your children.

You are so wrong and selfish. Spiders and snakes were created by GOD to protect human beings, by keeping our enemies, like flies, mosquitoes and rats and mice under control.

When I was hospitalised in Weskoppies Mental Hospital during the summer of 2009/2010, our cells were filled with mosquitoes because we slept with open windows due to the severe heat. I was imprisoned with rapists, murderers and marijuana addicts. I did not fear the mosquitoes or any of the patients, even though one inmate was murdered by another inmate one week prior to my arrival. The reason is that I know that GOD is with me and I need not fear anyone or anything. Every night I prayed the following simple prayer, and slept like a baby: "Oh Lord, keep us safe this night, secure from all our fears. May angels guard us, while we sleep, 'till morning light appears. AMEN." When you pray this prayer in faith, you need not be fearful of anything, including spiders and mosquitoes. In the ±3 months that I spent there, even though plenty of mosquitoes were zooming around, I wasn't bitten even once, or maybe I was, but no marks were left on my body. It might be of significance to add at this point, that I did not kill any mosquitoes either, of which I am aware. Remember, it is written that as you sow, so you shall also reap.

Next time you encounter a spider in your house, think twice before just squashing it indiscriminately. Take a pen or a sharp object, and guide it onto your hand, or a piece of paper if you are fearful. Then take it and put it in your garden, or leave it in the house if you don't feel threatened by it. Don't go about killing things indiscriminately because of fear. Fear is the opposite of faith, and GOD has not given us a spirit of fear, but of power, LOVE and self-control (2 Timothy 1:7). Don't be fearful of certain race groups or classes of society, due to the preconceptions you may have. Don't be of little faith (Luke 8:25, 50). LOVE your enemies and do not curse them, but pray for them (Luke 6:27-28). They were also created in GOD's image.

The whole New Testament is summarised by the Great Commandment: LOVE GOD and your fellow man (Matthew 22:34-40). How can you LOVE GOD if you don't love your brothers and sisters? How can you LOVE GOD if you don't love all of creation. GOD made everything – we are not supposed to hate anything or anyone. Jesus said we must LOVE our enemies, and I agree with his statement 100% (Luke 6:27-28). How do we expect Divine Will to come into fruition on planet Earth, as in Heaven, if we do not obey the teachings of Jesus of Nazareth – and then we call ourselves Christians! To be a Christian, is to follow the teachings of the Great Master, Jesus the Christ. To be a **real** Christian, is to do the will of GOD.

Crucify the flesh and live in the Spirit (Galatians 5:13-26). When you obtain all the gifts of the Spirit (1 Corinthians 12:7-10), don't become proud or arrogant, but remain humble as our Lord Jesus. Make sure you have ALL the fruit of the Spirit, to be 100% balanced (Galatians 5:22-23). We all stumble because of a lack of self-control, patience and humility. If you do not have ALL the fruit of the Spirit, you will not be a vessel of honour in GOD's Kingdom. Are you a vessel of clay, wood, silver or gold? Break with all wrong-thinking, wrong-speaking or wrong-doing ("evil"), and become a vessel of gold and be useful as a vessel of honour (2 Tim 20-21). If you are addicted to food, or chocolates, become a Vegan, and be freed of that addiction. If you are an alcoholic or a smoker, become a teetotaler and a non-smoker, and you will be set free from that bondage forever. It is written that if your hand makes you stumble, then cut it off, because it is better to lose your hand than lose your entire body. No special crash diets or nicotine chewing gum will have a lasting effect. Just make up your mind, and quit. You'll become much healthier, lose excess fat and increase your life expectancy by decades. Exercise is also very good for you. Look after the temple of GOD's Spirit and be useful in the Kingdom. Be balanced and healthy in body, soul and spirit. Ultimately it is your own responsibility. Don't say GOD doesn't answer your prayers while you carry on being disobedient to GOD's will. For example, you are praying for a breakthrough in your life, but it doesn't happen. You then stop praying, because GOD doesn't answer your prayers. All the time, though,

you have been trying to quit smoking by chewing special nicotine chewing gum, maybe you even quit for a while. Maybe the chewing gum is even more expensive than the cigarettes, I don't know. Point is, you have an addiction and the only way to overcome this addiction is to rebuke the spirit of addiction and NOT to find another addiction to replace the first one. How can you expect GOD to answer your prayers if you "sin" knowingly? Smoking is a "sin". When I quit smoking in 1989, I ate a peppermint or an apple and drank water every time I had a craving. I replaced a "bad" addiction with a "good" addiction. I replaced an unclean spirit with a clean or HOLY SPIRIT. The power of GOD is a "good" addiction. Rebuke the unclean spirits, demons, "evil" spirits, "satan" or the "devil" and call on the HOLY SPIRIT to fill you and to flow through you. Your cravings and addictions will cease, and you will become addicted to the will of GOD. You are now sanctified and useful as a vessel of honour in the Kingdom of Light (2 Tim 20-21). Remember: As you sow, so you shall also reap. If you eat too much meat, fat, cheese, eggs and junk food, you may become obese; develop cholesterol problems, heart disease, sugar diabetes, cancer, etc. If you are too lazy to walk to the grocery store to buy bread, but prefer to jump into your car and then battle to get parking for 10 minutes, because all the other people are just as lazy as you, you may develop cellulite or a sore back or migraine headaches because you lie in front of the TV all day long and exercise too little and drink too little water. In addition, you also contribute to global warming by running your car's engine for 15 minutes, because you are too lazy to walk for 10 minutes, which would have been the Godly choice.

It's called **sowing and reaping** or **cause and effect** or **karma**. Sow good seed and reap good rewards. Sow sparingly and reap sparingly. Rule by the sword and die by the sword. Hate other people and be hated. Judge not and thou shalt not be judged. Forgive and be forgiven. **Let live, and live in abundance**. LOVE and serve humanity and reap great rewards in this life and hereafter.

GOD is not a man that He should lie. He is omnipotent, omnipresent and omniscient, a GOD of LOVE, the Creator of the Universe. He loves us, even though we have been rebellious from generation to generation. Let us break that curse today and turn back to GOD, the sustenance of our very being. We cannot separate ourselves from the GOD within us. We cannot separate ourselves from our Heavenly Father. He sustains us – He is the very life in our mortal bodies. We are not flesh and blood; we are spiritual beings that live in the temple of GOD, i.e. our mortal bodies. Let us treat our bodies as Holy Temples by drinking lots of water, the source of all higher life on planet Earth. Let's stop polluting our planet and water resources indiscriminately. We are so blessed to be able to live on this beautiful planet in peace and harmony with all of creation. Let's abide in Christ. Let the Spirit of Christ, the Christ consciousness control our thoughts, words and actions. Let's choose to be obedient to GOD's will because of the LOVE of GOD and all of creation.

When you receive all the gifts of the Holy Spirit, remember not to become proud or arrogant, but remain humble, as GOD resists the proud (James 4:6, 13-17) and remember that everything you do should be driven by LOVE and not by selfish motives. Be selfless like the Master, and you will be blessed. Don't lose the faith and don't be afraid of giving things without being paid. **Please don't become religious, as Religious Lordship and domination has no place in Christianity, Hinduism, Islam, Judaism, Catholicism, Buddhism or Atheism or any other -ism. And do not judge others and you will not be judged. As you sow, you shall also reap (Karma). Sow good seed freely and abundantly with LOVE and joy.**

Are you serious about doing GOD's will? Always call on GOD's Holy Spirit to fill you and guide you and flow through you. GOD will gladly grant this request to any sincere and selfless person (Luke 11:13). Whenever you feel demotivated, start praying in the Spirit, in normal languages and in tongues. Don't be upset if you've missed the news or haven't had time to read the newspaper. We don't need bad news, sensation and gossip, as these things are all "worldly" things, and we don't

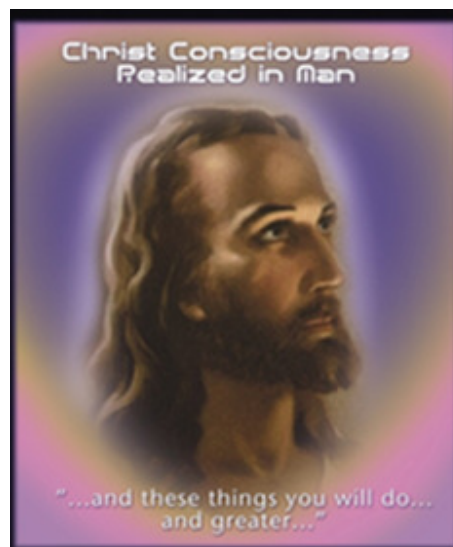

belong to the kingdom of the “world”. **Don’t listen to popular secular radio stations.** You can still get the news and traffic reports by listening to Classic FM, Impact Radio 103 FM in Gauteng, or Radio Pulpit 657 AM across most of South Africa. **Radio Pulpit comes highly recommended to all those who are hungry for rapid spiritual growth (also available via audio streaming at www.radiopulpit.co.za or DSTV audio channel 182).**

Be self-disciplined and obedient to the HOLY SPIRIT, and do GOD’s will, crucify the fleshly desires and live in the Spirit. Spiritual gifts and power will be your reward. Remember to remain humble, patient and self-controlled at all times. Everything you do should be driven by selfless LOVE to all of humanity and creation (1 Corinthians 13 – LOVE)
